
All-Purpose Dry Rub

1/3 cup coarse salt
1/4 cup paprika
2 Tb. ground black pepper
2 Tb. dried oregano
2 Tb. dried thyme

In a small bowl combine all ingredients.

You can adjust this recipe to use your favorite herbs; such as replacing the oregano for sage. You can even make it a bit sweeter by adding 1/4 cup light brown sugar.

This spice rub makes about 1-1/4 cups.
